TRIBU26 is part of 2026WOMEN Tribunal

A multi-day festival (March 25–28, 2026) taking place in Brussels and Antwerp. We commemorate and celebrate the First International Women's Tribunal of 1976, forming a powerful and hopeful alliance against injustice and violence. The program includes academic sessions, panel discussions, film screenings, walks, performances, creative workshops, and more.

With thanks to many people and all our partners from Brussels, Antwerp, Marseille and Rotterdam.
